Student Media Release Form

During the school year, opportunities arise to celebrate and affirm our programs and events. In the spirit of sharing, the district may choose to provide positive information and publicity to the general public or specific audiences. AHISD may receive requests from the news media or professional persons to interview, photograph, and/or film students for news publications, television or radio broadcasts, or for educational information and training or various publications and brochures printed by the Alamo Heights Independent School District. Permission is needed for your child to be the subject of any news media publicity or for educational information.

Additionally, in the context of instruction, students may create and/or use blogs, podcasts, videos, wikis, or other social media that makes it possible to share content with classmates, students in other states or countries, and where appropriate with the general public. Some content may include student images, however, AHISD adheres to COPPA (Children’s Online Privacy Protection Act) and full names and personal information are kept confidential and are not shared online.

Please complete this form and return it to the school where it will be kept on file for future reference.
